EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Ryan Dodge, Reg. # 42492 on 9/12/06.

The application has been amended as follows:

Claims 1-20, 46-~~52~~⁵⁴ and 55 (is a new claim 48 of amendment filed 7/10/06) canceled.

As claim 54 (is a new claim 47 of amendment filed 7/10/06), lines 24-26, [each statelet broadcast through the network being modified at each intermediate node to update a route field in the statelet that records the successive nodes by which the statelet has been broadcast;] has been deleted.

2. The following is an examiner's statement of reasons for allowance:

As claim 21, the prior arts in the record fails to disclose or make obvious to a method for operating a telecommunications network in which the telecommunications network includes plural distinct nodes interconnected by plural distinct spans, each node having a switching machine for making and breaking connections between links in adjacent spans forming span paths through the node comprising each statelet broadcast through the network being modified at each intermediate node to update a numPaths field in the statelet that records the number of paths

available for restoration of telecommunications traffic along the successive nodes by which the statelet has been broadcast within a structure of the claims.

As claims 53-54 (are new claims 46-47 of amendment filed 7/10/06), the prior arts in the record fails to disclose or make obvious to a method for operating a telecommunications network in which the telecommunications network includes plural distinct nodes interconnected by plural distinct spans, each node having a switching machine for making and breaking connections between links in adjacent spans forming span paths through the node comprising forming a closed path by making cross-connections between successive spans in one of several routes followed by incoming statelets received by an originating node, in which the one of several routes is selected according to an ordering of fields in the incoming statelets within a structure of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Steven HD Nguyen whose telephone number is (571) 272-3159. The examiner can normally be reached on 8-5.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Wellington Chin can be reached on (571) 272-3134. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
